The Pumpkin Patch

Photography by: MH, AH, CW

My experience at the pumpkin patch. The pumpkin patch was so much fun even though we only got to pick a pumpkin that was as big as our heads. I wish we could have got a bigger pumpkin.

First we went on the hay ride and then we went through the maze and did the bee waggle and picked a pumpkin and gourd, we also took pictures and went back on the bus.

School News

News + Events by LA

The school store is so much fun and all the students love it. We get so many cool things by earning jasper bucks. We get jasper bucks when we do well in school, when we are safe and when we win a game in PE. We can get so many different things. For example we can get pokemon cards, football cards, baseball cards, glitter pens, fidgets and a whole lot of other stuff. If we work hard enough, every friday we get to go to the store.

Fashion by SB

In Native American culture women traditionally wore long dresses made from animal hides. They were often decorated with intricate beadwork fringe and porcupine quill embroidered leggings and moccasins. Women would wear jewelry like earrings, and necklaces made out of beads and feathers. and also with boots. Men would keep the lookout for Bears. Men will have spares and one man would have a staff and be the leader.

People think Native Americans have a special connection with all types of animals like wolves and many other animals. You should learn about native Americans and author cultures like the thirteen colonies or you could even learn about your culture.

The Titanic

Lifestyle by MGB

In 1908, the white star line announced the construction of the Titanic. During the construction of the Titanic, eight people died in the process. May 31, 1911 they let the Titanic float on water for 15 seconds, and it was able to float. So they spent another year installing the engines for the Titanic. It cost £1.5 billion uk dollars to build the Titanic. They finished construction on March 31, 1912. The designers were Harland & Wolff. On April 10, 1912, the people on the ship were split into three classes. There were approximately 2,200 passengers. As two ships towed the Titanic into the ocean, the Titanic almost hit the tow ship. That caused the coal powered engines to make a controlled fire. Midnight on April 15, 1912, Frederick Fleet spotted an iceberg ahead. In his own words he said, ICEBERG, DEAD AHEAD! He reported the information To Captain Edward Smith. Then they hit the iceberg, and the Titanic started to flood. Then they said, WOMEN AND CHILDREN FIRST! 2:30 April 15, 1912, it snapped in half and sank. Only 705 people survived. In 1977 they released the film of the Titanic. They were glad to be able to make the movie. They had a hard time Making the movie, because it took a long time. 73 years later, September, 1, 1985, 1 a.m in the morning, Robert Ballard spotted the Titanic. He dived into The ocean. He found a lot of cool stuff like jewels, paintings, and more. they will be releasing the new Titanic in 2027.

Fun facts about the Titanic:

- It cost a lot to build.
- It wasn't even at full capacity.
- It didn't have enough lifeboats.
- It didn't take that long to sink.
- It's very deep down.
- There's more than one Titanic movie.

What was World War 2 *History by EJ*

World War 2, also known as WWII, was the war that involved Germany, the USA, Japan, Italy, and a lot of other countries. World War 2 started when Adolf Hitler rose to power over a group called the German workers party, he later called the group the Nazi Party. Hitler was furious with the defeat of ww1 and wanted revenge. On the date of September 1, 1939 he led his new army into Poland which was the start of the war. Britain and France told Germany if they attacked Poland they would declare war on them, which happened.

Britain and France told Germany if they attacked Poland they would declare war on them, which happened. The Soviet Union, Japan, and Italy joined in helping attack several different countries along with the Nazis. More than 2 million people lost their lives.. Germany surrendered on May 7th, 1945, celebrating as the date, “d-day”.

Colors *Opinions by JJ*

Blue is the best color because it is the most common favorite color. I went through all the Jasper Mountain School classes and found the results for favorite colors: 39% Blue, 18% Black, 14% Pink, 11% Purple, 11% Red, 7% Orange. That makes blue the most popular color. Blue is also used as a non-threatening color. It even helps with productivity, calmness, stability, and sadness. Blue is the rarest occurring natural color.

If I made it your favorite color, please come and find me to tell me when you get the chance.

Funny Stories

Once upon a time there was a kid named Bobby. He was funny. One day Bobby was in his house playing tag with his friend Charlotte, and she was funny too. She told hilarious jokes.

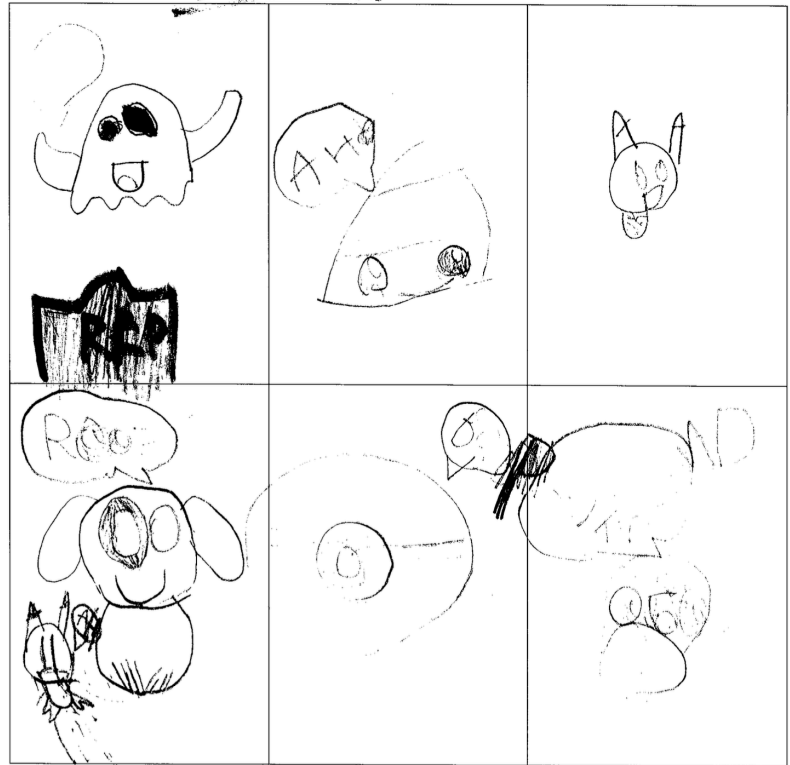

Charlotte tripped on a mat and did a somersault backwards out the front door. She then rolled down a hill and hit a cow. She rolled with the cow. Bobby saw what happened. It looked funny. They rolled super fast. They rolled over the water. The end.

Dear S.S. ,

I am hoping you can help me. My best friend and I are trying to decide on a fun activity that we both like to do. I love hiking, going to the park and having picnics. She loves swimming, playing minigolf, and watching movies. We just can't agree on what to do. Do you have any ideas that would interest both of us?
We just keep arguing!

Thanks
Friendly frustrated friend

BONJOUR FRIENDLY FRUSTRATED FRIEND,

MAYBE TRY COMBINING IDEAS LIKE A BEACH SWIM WITH A PICNIC. OR GO CAMPING AND MAKE SURE YOU HAVE INTERNET AND WATCH A MOVIE ON A MOVIE PROJECTOR. I DON'T LIKE IT WHEN PEOPLE FIGHT AND MAYBE TRY SOMETHING NEW TOGETHER LIKE A BIKE RIDE OR A CANDY SHOP VISIT . I KNOW YOU CAN WORK THINGS OUT. YOU GOT THIS.

TRY SOMETHING NEW OR LEARN SOMETHING NEW

TODDLES SS

Dear SS,

I was recently tasked with coming up with prizes or rewards to give out to students that have earned it. The problem is there is no extra money in our budget to buy prizes or rewards. I have to come up with free things now. I just can't think of anything. I was hoping since you are a student you might be able to come up with great ideas for this. They are expecting me to do this and present my ideas at the next meeting and I don't have any!

Please help!
Sincerely frustrated franklin

HELLO FRUSTRATED FRANKLIN,

MAYBE COME UP WITH A FUNDRAISING EVENT LIKE, 20 \$\$ CAR WASH, INCLUDING INSIDE AND OUTSIDE, POLISHING TOO. OR MAYBE TEACHING- A- HOW TO LIKE BRACELET MAKING OR A MUSIC OR DANCE SHOW FOR THE PUBLIC. EVEN IF YOU DON'T DO GOOD, JUST REMEMBER YOU TRIED AND BE PROUD OF YOURSELF. MAYBE VOLUNTEER FOR SOMETHING GOOD. DON'T BE AFRAID TO SHOW YOUR STRENGTH AND POWER 'CAUSE I KNOW AND BELIEVE YOU GOT THIS, BE THE MAN OR YOU GO GIRL, WELL I GOT TO GO BUT YOU BETTER HOP TO IT.

TODDLES SS

Dear SS,

My best friend and I are having a disagreement. We both love to do art projects and she has this awesome set of special markers and I have these watercolor colored pencils. We both share with each other but our rule is we ask each other. I went to use pencils today and a bunch of them were broken. When I asked my friend about it, she got angry at me. And said she didn't do it. I knew she used them but i'm not angry at her for that, i'm mad that she lied about it
What should I do?

Thanks, Sad Sammy

DEAR SAMMY

I KNOW WHAT IT'S LIKE BECAUSE MY FRIENDS SOMETIMES LIE ABOUT STUFF LIKE THAT TOO, BUT JUST REMEMBER THAT THEY MIGHT NOT WANT TO LOSE YOUR FRIENDSHIP AND ARE AFRAID THAT MAY HAPPEN. IT MAY NOT BE INTENTIONAL. JUST FIND A WAY TO TELL THEM HOW YOU FEEL AND LET HER KNOW THAT YOU STILL WANT TO BE FRIENDS WITH HER. (IF YOU STILL FEEL LIKE SHE HAS YOUR TRUST) THINK OUTSIDE THE BOX TO APOLOGIZE. YOU ROCK AS A FRIEND I BET
